Dear Mr. Yalcintas,

last week I had the pleasure to visit Istanbul in preparation of our international congress that may take place in Turkey in 2013. The trip was prepared and organised by Ms. Elif Balci Fisunoglu. Due to her perfect organisation and helpful support the trip was extremely efficient. Thanks to Ms Balci Fisunoglu I have saved a substantial amount of time and effort and I had the impression that I have seen everything I needed to see and talked to everybody that I needed to talk to in just a few hours.

I am in this business for 13 years and have rarely experienced a better service from any convention bureau. I would like to thank you and encourage you to continue with the perfect work.

Best regards

Frank Azoneit
