Turkey, with its perfect locations for having a perfect experience, has always been a paradise between East and West and home to many civilizations in its over 10,000 years of history. Countless sunrises, sunsets, canyons, and mountains create Turkey and make discovered lands look like a dream in a land of amazing geography. This amazing land has been mentioned throughout the contents as being a land of cultures, which means that even if you feel like you’ve seen the country once upon a time, the land is not the same and there is still much more to explore. Turkey has a lot to offer: the unspoiled natural beauties, unique historical and archaeological sites, world-class beaches, and the world’s most popular tourist destinations. Turkey has become a key player in the world’s most important international events and has hosted many important meetings and summits in recent years.

Social & Business Customs

Food: Turkish food contains culinary traditions of continental people originating from Central Asia and the influence of the Mediterranean region. Limas is a basic meat dish; flatbreads on an olive oil, often eaten fresh or together with a side salad. Fish and shellfish are prepared fresh and tasty. Muslims do not eat pork or other types of meat. In general, meat is prepared as a side dish and is eaten with flatbread. Dishes are generally spicy and include lots of fresh herbs and spices. Dishes are generally served with flatbread. Dishes are generally served with flatbread.
